

### SAFECLAMP® FIBREGLASS MODULAR HANDRAIL SYSTEM

**4 Way Universal Joint  
SC-UJ-4W-YE**

A versatile swivel fitting, useful for awkward applications where angles cannot be accommodated by angle fittings. The through-tube cannot be joined within the fitting.

**Universal 3 Way  
SC-UJ-3W-YE**

A versatile swivel fitting, useful for awkward applications where angles cannot be accommodated by adjustable angle fittings.

**Universal Joint  
SC-UJ-2W-YE**

A versatile fitting, often used where a horizontal rail is joined to a sloping section

**Safeclamp Tube  
SC-RT-50-50-05-YE**

A FRP / GRP 50mm O/D Tube, with 5mm wall thickness. Ideal for Top Rail, Mid-Rail or Stanchions

**Kickplate  
PR-KP-150-15-03-YE**

A GRP toe board profile. 150mm High by 15mm thick.

**Safeclamp Bolt Set**

A M6 x 60mm A2 Stainless Steel Socket button head bolt, and Blind Riv Nut. Our recommended fixing.
